Abstracts

Abstracts should be no more than 500 words in length. You may indicate your preference for presentation in the Oral or Poster Session. Full manuscripts from both types of presentations, without distinction, will be included in the Proceedings. Full manuscripts are not required for Posters. A detailed Summary/Abstract (two to four pages) is acceptable for Posters to be published in the Proceedings.

Commercial vendors must register and are encouraged to present posters or display exhibits.

Submission of Abstracts

To be considered, Abstracts may be submitted for inclusion in the Seminar at any time up to January 14, 2024. Receipt of your Abstract will be acknowledged by email. Guidelines on how to prepare the manuscript for publication will be available on the IPSUSA Seminar website. Selection of the papers to be given at the Seminar will be made in February 2024, and **a list of papers for Oral and Poster presentation will also be published and posted on the website in March 2024.** The Proceedings of the Seminar will be published as a CD or USB thumb-drive and will be distributed at the beginning of the Seminar.

It is expected that an author will present each oral paper. **It is our intent not to publish manuscripts of papers from authors who do not participate in the Seminar.** This standard is set to encourage attendance and participation in the Seminar and to encourage the open exchange of ideas. All papers will be presented and written in the English language. Furthermore, all submitted manuscripts must allow IPSUSA Seminars, Inc. to copyright their submissions in accordance with standard practice for the publication of all technical and scientific publications.

Authors are personally and solely responsible for obtaining organizational clearance for their paper (abstract and manuscript) before submitting it to the Seminar for presentation and publication. In granting the clearance approval, it should be understood that the abstract and manuscript will be published in the Seminar Proceedings on a CD or USB thumb-drive. These will be made available to the public at large.

Passport and Visa Advisory and Warning

In the process of obtaining your Visa for travel to the USA, you may be asked to appear for a personal interview. This will lengthen the time it takes to obtain a Visa.

We strongly recommend starting the Visa application process as early as possible.

Albuquerque, New Mexico

Albuquerque is one of the oldest cities in the United States. Albuquerque boasts a unique multicultural history and heritage. Native American, Hispanic & Latino cultural influences are a part of everyday life.

Albuquerque is a hub for technology and media companies, historic landmarks, and the fine arts. The city is home to the University of New Mexico, the Albuquerque International Balloon Fiesta, the Gathering of Nations, the New Mexico State Fair, and a diverse restaurant scene, which features both New Mexican and global cuisine.

Visiting Albuquerque allows you to experience the authentic Southwest. Nowhere is the confluence of past and present more dramatic than here in Albuquerque, where the modern city skyline is set against a backdrop of the stunning Sandia Mountains and an endless, timeless blue sky.

The incomparable weather and scenery also make Albuquerque the hot air ballooning capital of the world. Balloons dot the clear blue skies throughout the year, revealing a myriad of colors. At night, Albuquerque is bathed in the glow of neon signs, relics of the city's role along historic Route 66. Locals and visitors enjoy kicking up their heels in the bustling downtown entertainment district, taking in a show by one of the international theater and dance companies, and visiting the many casinos surrounding the metropolitan area.
